1. Provision is for expenditure on Secretariat of Department of Rural Development.

2 & 20. The SGSY has been restructured as National Rural Livelihoods Mission NRLM in June, 2010 to implement it in a mission mode in a phased manner for targeted and time bound delivery of results. NRLM has now been renamed as Aajeevika. The two major strategic shifts under Aajeevika, vis a vis SGSY are that i Aajeevika will be a demand driven programme and the states will formulate their own poverty reduction action plans under it based on their past experience, resources and skills base and ii Aajeevika will provide for a professional support structure for programme implementation at all levels for National to Sub district level in different streams.

Universal social mobilization through formation of SHGs under Aajeevika will ensure that at least one member of each rural BPL household, preferably a woman member of the household, is brought under the Self Help Group SHG net. With a view to form strong Peoples Institutions, Aajeevika will focus on setting up of federations of SHGs from village panchayat to district levels. The goal of universal financial inclusion will be furthered through linking the SHGs with banks for securing credit. Aajeevika envisages Capacity Building and Training of the community Institutions and the personnel engaged in programme implementation as well as other stakeholders like Bankers, PRI functionaries etc. To meet the requirement both in terms of consumption and taking up the income generating activities, revolving fund is provided to the extent of ₹10000 - Rs 15000 per SHG. Interest subsidy will be provided to SHGs for prompt repayment of loans to banks. The difference between 7 percent and Prime Lending Rates PLR, will be provided to the poor households for every loan accessed from the banks, up to a limit of Rs 1 lakh per household.

A new scheme Mahila Kisan Sashaktikaran Pariyojana MKSP has been initiated as a sub-component of the NRLM to meet the specific needs of women farmers and achieve socio-economic and technical empowerment of the rural women farmers, predominantly small and marginal farmers.

Another Scheme under NRLM is for setting up of Rural Self Employment Training Institutes RSETIs, one in each district of the country, for basic and skill development training of the rural BPL youth to enable them to undertake micro enterprises and wage employment.

Under NRLM, 20 percent of funds are available for placement linked skill development and innovative special projects. The objective of each Special Projects for Skill Development would be to ensure a time-bound training and capacity building programme for bringing a specific number of Below Poverty Line BPL families above the poverty line through placement ensuring regular Wage employment.

The Ministry of Rural Development is also implementing a new scheme titled Skill Empowerment and Employment in J and K SEE J and K Himayat. It envisages covering one lakh youth from rural and urban areas of J and K in the next five years. It will cover all youth with diverse education background i.e school dropout, under graduate etc. 70 percent of the funds will be utilized for wage employment and remaining 30 percent for self employment. It is a 100 percent central assistance scheme.

3 & 22. Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) is a flagship programme of Government of India implemented by Ministry of Rural Development w.e.f 02.02.2006. The main objective of the programme is to provide for the enhancement of livelihood security of the rural households by ensuring a legal right for atleast 100 days of unskilled wage employment to willing adult members. Implemented initially in 200 most backward districts of the country, this programme was later extended in two phases to cover the entire country.

MGNREGA envisages creation of durable and productive assets which would contribute greatly to the economic and ecological development of the rural areas. The objective of asset

creation also takes into account local needs and priorities and calls for community participation and departmental convergence at the worksite.

Special emphasis has been laid on backward districts which are covered under Government of India Integrated Action Plan (IAP). To ensure timely wage payment to the MGNREGA workers in such IAP districts, cash payments have been allowed in areas where the outreach of Banks/ Post offices is inadequate. Construction of playgrounds and anganwadi Centre under MGNREGA have been notified as one of the permissible activities to be taken up under MGNREGA. Aadhaar enabled payment of wages is being piloted in 46 rural districts out of the 51 taken up by the Government for Direct Benefit Transfers (DBT).

4 & 23. The objective of Indira Aawas Yojana (IAY) is primarily to provide assistance for construction of dwelling units and upgradation of existing unserviceable kutcha houses for Scheduled Castes/Scheduled Tribes and non-SC/ST rural families living below the poverty line. From 1995-96, the IAY benefits have been extended to the families of the members of armed and paramilitary forces killed in action. A minimum of 60% of the funds under the scheme are earmarked for assistance to SC/ST families living below the poverty line. 3% of funds are reserved for disabled living below the poverty line in rural areas. The IAY funds and physical targets are also earmarked for the BPL Minorities (15%).

6. The National Institute of Rural Development (NIRD) is an apex institute for training and research in rural development in India. Besides, organizing courses on developmental issues, capacity building of rural development and Panchayati Raj functionaries is key concern of NIRD.

7. The Council for Advancement of Peoples Action and Rural Technology (CAPART) aims at involving the people through non-Government voluntary organizations in the implementation of development programmes as also in need based innovative projects. CAPART works towards creating a peoples movement for development in the rural areas by means of a higher degree of social mobilization, lowering of social barriers and empowerment of the rural poor.

8. The Provision for Urban amenities in Rural Areas (PURA) aims to meet gaps in physical and social infrastructure in identified rural cluster to further their growth potential to stem rural urban migration.

9. Includes provision for Management Support to Rural Development Programmes and Strengthening of District Planning Process to cater to various aspects of Training activities, awareness generation (IEC), strengthening Monitoring Mechanism, Information Technology and International Cooperation.

10. This provision is for financial assistance to the States for conducting BPL Survey to identify the rural households living below poverty line who could be targeted under various programmes of the Ministry.

12. **RURBAN Mission:** A new scheme RURBAN Mission is being introduced

13. **Village Entrepreneurship start-up Programme:** A new scheme Village Entrepreneurship start-up Programme is being introduced

15 & 25. Pradhan Mantri Gram Sadak Yojana (PMGSY) is a Centrally Sponsored Scheme with the objective to provide all-weather road connectivity to all eligible unconnected habitations, existing in the Core Network, in rural areas of country.

The programme envisages connecting all eligible unconnected habitations with a population of 500 persons and above in plain areas and 250 persons and above in Hill States, Tribal (Schedule-V) areas, the Desert Areas (as identified in Desert Development Programme) and in 82 Selected Tribal and Backward Districts under Integrated Action Plan (IAP) as identified by the Ministry of Home Affairs/Planning Commission.

The Rural Roads has been identified as one of the six components of Bharat Nirman with a goal to provide connectivity to all habitations with a population of 1,000 persons and above (500 persons and above in the case of Hilly or Schedule-V Tribal areas) with All-weather road. The Bharat Nirman programme also has an Upgradation component with a target to upgrade 1.94 Km of existing rural roads (including 40% renewal of rural roads to be funded by the States) in order to ensure full farm to market connectivity. Based on ground verification by States, a total of 63,940 habitations are targeted to be connected under Bharat Nirman.

In order to provide support to rural roads under PMGSY, 3 externally aided projects namely Rural Road Sector Project-I and II with the assistance of Asian Development Bank (ADB) and Rural Road Project-I with the assistance of World Bank are being implemented in various States. Presently, Rural Road Sector-III Project under ADB is also being negotiated for providing assistance under programme. Under Rural Road Project-II of World Bank, a loan of US\$ 1.5 billion was signed on 14th January, 2011. The project is being implemented in seven States.

16 & 26.
