

OUTPUT OUTCOME FRAMEWORK 2020-21

(MAJOR CENTRAL SECTOR & CENTRALLY SPONSORED SCHEMES)

Preface

Major Expenditure Reforms have been undertaken by the Government over the last few years. This not only includes simplification of appraisal and approval processes, but also structural changes in the process of budget making itself, like doing away with Plan / Non-plan distinction. As a result, the cost-centres are being treated in an integrated manner, within only the statutory revenue capital framework. This enables another major structural reform, which is to bring the public schemes and projects under a monitorable Output-Outcome framework.

Since 2017-18, in addition to the financial outlays of schemes of the Ministries being indicated in the Budget document, the expected outputs and outcomes of the schemes are also being presented in a consolidated Outcome Budget document, along with the Budget. These Outlays, Outputs and Outcomes are being presented to the Parliament in measurable terms, bringing-in greater accountability for the agencies involved in the execution of government schemes and projects. Outlay is the amount that is provided for a given scheme or project in the Budget; while Output refers to the direct and measurable product of program activities, often expressed in physical terms or units. Outcomes are the collective results or qualitative improvements brought about in the delivery of these services.

The Outcome Budget presents (a) the financial outlay for the year 2020-21 along with (b) clearly defined outputs and outcomes (c) measurable output and outcome indicators and (d) specific output and outcome targets for FY 2020-21. This will significantly enhance transparency, predictability and ease of understanding of the Government's development agenda.

Through this exercise, the Government aims to nurture an open, accountable, pro-active and purposeful style of governance by transitioning from mere outlays to result-oriented outputs and outcomes. This effort will enable Ministries to keep track of the scheme objectives and work towards the development goals set by them. The document being presented contains Output-Outcome Framework for major Central Sector (CS) Schemes and Centrally Sponsored Schemes (CSS) with outlay Rs. 500 crore and greater in FY 2020-21. Hence, this document covers 160 schemes, covering over 95% of the total CS/CSS budget covered in the Outcome Budget 2020-21.

Acknowledgements

The Output-Outcome Monitoring Framework is a result of co-operation, teamwork and collaboration of a wide range of stakeholders across ministries and departments.

It would not have been possible to deliver the exhaustive framework without the relentless help and support of the Division heads in-charge of various CS and CSS schemes and nodal officers of all the ministries and departments, under the leadership of their Secretaries.

The framework has benefitted extensively from the assistance provided by the subject matter verticals and the team at Development Monitoring and Evaluation Office (DMEO) under the leadership of Dr. Rajiv Kumar, Vice Chairman, NITI Aayog and Shri Amitabh Kant, CEO, NITI Aayog.

Furthermore, I would like to thank all the officials of the Budget Division in the Department of Economic Affairs for their unflinching support towards creating this framework.

In addition, I extend my gratitude to all my team members at the Department of Expenditure with a special mention to the Financial Advisors at the ministries and departments, who reposed their belief in this document.

The Output-Outcome Monitoring Framework has gained immensely from the insights and inputs of the Finance Secretary, Shri Rajiv Kumar.

And lastly, I would extend my special thanks to the Hon'ble Finance Minister, Smt. Nirmala Sitharaman, and the Hon'ble Minister of State (Finance), Shri Anurag Singh Thakur for their guidance in enabling us to take this important step forward towards achieving the goal of transparent and accountable expenditure management.

Shri T V Somanathan

(Secretary, Department of Expenditure)

Department of Agriculture, Cooperation and Farmer's Welfare

1. Crop Insurance Scheme - Pradhan Mantri Fasal Bima Yojana (CS)

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators	Targets 2020-21
15695.00	1. Increase in coverage	1.1. Increase in loanee applications (%)	10%	1. Better Risk Minimization for farmers covered	1.1. Incremental sum insured (%)	10%
		1.2. Increase in non-loanee applications (%)	10%		2. Timely processing and settlement of claims	2.1. Number of farmers covered who received claimed benefits (%)
		1.3. Increase in coverage of cropped area/ insured area over cropped area (%)	10% ²	2.2. Farmers with claim payable who received benefits (%)		80% ¹
	2. Efficient claims processing mechanism of the agriculture insurance firms	2.1. Claims payable in notified unit areas (%)	80% ¹	2.3. Loss cost ratio in % (claims payable / Sum insured)	10% ¹	
		2.2. Average turn-around time for claim payment in days (from field data submission by states till claims paid)	30			

¹ During 2018-19, tentatively 5.64 Cr farmers are enrolled for a sum insured of Rs. 235277 Cr under PMFBY. Claims and number of farmers to whom claims will be paid under the scheme depends upon happening of natural calamity and cannot be targeted. However, targets are prepared on the basis of available data of 2017-18 and 2018-19. Complete data for 2019-20 is not yet available. The Scheme is being review. Any changes in the existing scheme during 2020-21 may require review/ revision in output and outcome framework. Subject to release of Govt. share of premium subsidy to concerned insurance companies. However based on the data of 2016-17 & 2017-18 it is expected that about 28% of total insured farmers got claims subject to favorable monsoon. However, it is proposed that over 80% of admissible claims should be paid within stipulated period of one month from receipt of clear yield data from State Govt. concerned. Beneficiaries may get the claims within 30 days from receipt of clear yield data from State Govt. concerned. Based on 2016-17 & 2018-19 data, loss cost ratio is expected around 10%

² Kharif and Rabi 10% increase in net cropped area in each season

2. Interest Subsidy for Short Term Credit to Farmers (CS)

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
	2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators
21175.00	1. New account openings ³	1.1. Number of new accounts of farmers granted STC loan (Lakh)	28.50	1. Access to credit	1.1. Number of farmer accounts provided PRI accounts and IS benefits (Crore)	4.26
		1.2. Number of new accounts of SMFs covered (Lakh)	18.53		1.2. Loan amount disbursed (Lakh Crore)	3.24
		1.3. Number of new accounts in J&K, NER and under serviced area (Lakh)	0.57			

3. Market Intervention Scheme and Price Support Scheme (CS)

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
	2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators
2000.00	1. Need based procurement intervention in distress condition	1.1. Total quantity procured of oilseeds (in Lakh Metric Tonnes)	19.15 ⁴	1. Ensuring remunerative prices to farmers and avoid distress sale	1.1. Average price difference between MSP/ procurement price and market prices for each item covered under PSS (%)	Targets not amenable ⁵
		1.2. Total quantity procured of pulses (in Lakh Metric Tonnes)	32.49 ⁴			

³ The figures given above are estimates for KCC-crop loan issued by Rural Cooperative Banks & RRBs and may change owing to change in local conditions and policies of GoI and State Government. The reduction in the estimates for 2020-21 is on account of continuing fall in number of fresh cards issued by RRBs and Cooperative Banks in last five years. This may be due to the fact that some of the farmers either moved out of agriculture or are borrowing from institutions like SCBs and SFBs.

⁴ Based on average procurement under PSS during 2017-18 & 2018-19.

⁵ The procurement price under PSS is Minimum Support Price (MSP) and market price depends upon market scenario

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators	Targets 2020-21
		1.3. Average delay of payment made to farmers after receipt of their produce under PSS in days	3			

4. Pradhan Mantri Annadata Aay Sanrakshan Yojna (PM-AASHA) (CS)

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators	Targets 2020-21
500.00	1. Increased coverage of farmers	1.1. Total number of oilseed farmers registered under Price Deficiency Payment Scheme (PDPS)	Targets not amenable ⁶	1. Ensuring remunerative price to farmers for their produce	1.1. Average price difference between MSP/ procurement price and market prices (%)	Targets not amenable ⁶
		1.2. Average delay of payment made to farmers after receipt of their produce in days	Targets not amenable		1.2. Registered farmers who received payment under PDPS (%)	Targets not amenable ⁶
	2. Private Procurement and Stockist Scheme	2.1. Number of pilots initiated in selected districts/ APMC of the district involving the participation of private	Targets not amenable ⁷	2. Increased participation in procurement	2.1. Quantity procured under the initiative to total private sector procurement (%)	Targets not amenable ⁷

⁶ Since its inception, this scheme was implemented only one time during Kharif 2018-19 in the state of Madhya Pradesh for Soyabean and 13.19 lakh Soyabean farmers were registered at that time. Hence, it depends upon market scenario and request received from State Govt. The average price difference between MSP procurement price and market prices for Soyabean PDPS implemented by Govt. of Madhya Pradesh was almost 6% of MSP of Soyabean and almost 53% of registered farmers received payment under PDPS.

⁷ No proposal has yet been received since its inception, hence this depends upon market scenario and request received from State Govt. Till date no procurement has been done under this scheme.

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators	Targets 2020-21
	(PPSS)	stockist				
		2.2. Total quantity procured by private player in Lakh Metric Tonnes	Targets not amenable ⁷		2.2. % of total APMC procurement through PPSS	Targets not amenable ⁷
	3. Improved procurement of produce	3.1. Total quantity procured of pulses in Lakh Metric Tonnes	32.49 ⁸	3. Increase in procurement of produce	3.1. Procurement percentage of oilseeds to the total production in a financial year (%)	Targets not amenable ⁸
		3.2. Total quantity procured of oilseeds in Lakh Metric Tonnes	19.15 ⁸		3.2. Procurement percentage of pulses to the total production in a financial year (%)	Targets not amenable ⁸
		3.3. Average delay of payment made to farmers after receipt of their produce under PSS in days.	3			

5. Distribution of Pulses to State/ Union Territories for Welfare Schemes (CS)

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2020-21			OUTCOMES 2020-21		
2020-21	Output	Indicators	Targets 2020-21	Outcome	Indicators	Targets 2020-21
800.00	1. Increased distribution of	1.1. Total quantity of pulses distributed to State/UTs in	Targets not amenable ⁹	1. Enhanced availability of	1.1. Percentage availability of pulses in welfare	Targets not amenable ⁹

⁸ Based on average procurement under PSS during 2017-18 & 2018-19. Target will depend upon market scenario and request received from State Govt. However, the average procurement percentage of oilseeds and pulses under PSS during the year 2017-18 and 2018-19 is approx. 6.5% and 15% respectively.

⁹ CCEA approved this scheme till September, 2019. The continuation of this scheme is still awaited from CCEA. However, there was a flat discount of Rs. 15 per kg at the issue price of pulses in the year 2018-19 and 2019-20 based on the approval of CCEA.

Department of Consumer Affairs

1. Consumer Protection- Price Stabilisation Fund (PSF) Scheme (CS)

FINANCIAL OUTLAY (Rs. in Cr.)	OUTPUTS 2020-21			OUTCOMES 2020-21			
	2020-21	Output	Indicators	Target 2020-21	Output	Indicators	Target 2020-21
2000.00	1.	Direct Procurement of commodities from farmers/ FPOs at the Farm Gate/ Mandi	1.1. Quantity of Agri-Horticultural Commodities procured (Commodity Wise) (In lakh Metric Ton)	Pulses - 19.5 ²⁶ Onion - 1 ²⁷	1. Moderation in level and volatility of prices of notified agri-horticultural commodities under PSF in relation to the prices reported by Price Monitoring Cell (PMC)	1.1. Maximum Monthly Average Price recorded before decision to build substantive buffer under PSF was taken i.e., before Sept 2016.	Managing price ceiling to be within 20% of the maximum monthly average recorded up to years prior to September 2016.
	2.	Import of commodities to maintain Price stabilization	2.1 Import of Agri-Horticultural Commodities (In Metric Ton)	Target not amenable ²⁸			
	3.	Calibrated release of stock of commodities at reasonable prices & their timely distribution	3.1. Quantity of Agri-Horticultural Commodities disposed through authorized channels including open market sales	Sale of about 10 Lakh MT will fetch around Rs. 4,000 crore.			

²⁶ Ramesh Chand Committee has recommended buffer level of 16.53 LMT pulses for 2020-21. Now it has been decided to create a buffer of 19.5 LMT. In the event of prices ruling under MSP, buffer requirement would be met from transfer of pulses procured under PSS implemented by DACFW.

²⁷ Creation of Buffer of Minimum one lakh MT of onion to ensure its availability and moderate prices during lean season.

²⁸ Buffer of Pulses would be built through transfer of pulses from PSS, DACFW. However, if domestic availability of pulses falls short, import may be undertaken/considered level of buffer of pulses. The buffer of onion would be created from the domestic procurement and through Import.

1. Fellowship provided to eligible SC students	1.1 Students who avail scholarships for higher education overseas	110	1. Number of students getting scholarship for overseas higher education	1.1 Increase in number of students benefitted	110
f. Central Scholarship - Top Class Education for SCs (CS)					
1. Scholarship provided to eligible SC students	1.1 No. of students who avail scholarships for studies in professional courses in institutes of repute	2,200	1. Increase in number of SC students who availed scholarship for study in professional education in institutes of repute	1.1 Number of SC students benefitted	2,200
g. Scheme for Backward Classes - Post Matric Scholarship for OBC (CSS)					
1. Centrally sponsored scheme where 100% central assistance is provided to the state/UT Govt subject to fund-availability.	1.1 Increase in number of students receiving scholarship and number completing post matric education rom benchmark number in 2020-21 (in lakhs)	44	1. Scholarship at post-matriculation or post-secondary stage enables them to complete their education.	1.1.No. of students benefitted (in lakhs)	44
	1.2.Reduction in dropout rate between class Xi and XII	Targets are not amenable			
h. Scheme for Backward Classes - Pre matric Scholarship for Backward classes (CSS)					

1. Centrally sponsored scheme where fund is shared on 50:50 basis between Central and State/UT Government	1.1 Increase in number of students receiving scholarship and number out of them promoted to next class (in lakhs)	27.50	1. To provide a level playing field in comparison to non-backward sections of the population.	1.1. Number of students benefitted (in lakhs)	27.50
	1.2 Number of students receiving scholarship successfully completing 10th class.	Targets not amenable			
i. National Overseas Scholarships for OBCs (CS)					
1. Scheme is implemented through Canara Bank.	1.1 Increase in number of OBC students who completed higher study i.e. Master's degree, M.Phil, Ph.D abroad	4,060	1. Provide them better opportunities for higher education abroad and enhance their employability.	1.1. No. of students provided better opportunities	4,060
j. Scheme for development of EBCs (for Scholarship for education) (CSS)					
1. Centrally sponsored scheme where central assistance is provided to the state/UT Govt. on first-come first-served basis.	1.1. Increase in number of EBC students receiving scholarship and passing rate of them in post matric education (12th, Bachelor and Masters) (in lakhs)	2.20	1. Provide financial assistance to the Economically Backward Class (EBC) students studying at post-matriculation or post-secondary stage to enable them to complete their education.	1.1 No. of students provided financial assistance (in lakhs)	2.20

2. Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCA to SCSP) (CSS)
