Source : Central Electricity Authority.

^a In Kerala State Electricity Regulatory Commission has approved continuation of existing tariff (effective from 1.10.2002) and other charges by the KSEB for the year 2006-07,

^b Private companies engaged for distribution of power, ^c Other areas, ^d BMR/ PMR areas,

Note: Average rate includes tariff and duty/ taxes. The average rates of electricity supply is computed by the CEA on the basis of tariff notifications and various electricity duties/ taxes and fuel cost adjustment charges levied on it. The average rates have been computed assuming the same level of energy for various categories of consumers in different States/ Union Territories.
