*( In crores of Rupees)*

Internal Debt comprises loans raised in the open market, special securities issued to Reserve Bank, compensation and other bonds, etc. It also includes borrowings through treasury bills issued to Reserve Bank, State Governments, commercial banks and other parties, as well as non-negotiable, non-interest bearing rupee securities issued to international financial institutions viz., the International Monetary Fund, International Bank for Reconstruction and Development, International Development Association, International Fund for Agricultural Development, African Development Fund/Bank and Asian Development Bank. An analysis of the public debt outstanding at the beginning of the First Five Year Plan and close of each year from 1994-95 to 1997-98 and that estimated to be outstanding at the close of 1998-99 and 1999-2000 is given in the **Statement of Liabilities**. The amounts outstanding both under internal and external debt reflect the liability of Government as represented by the book value of the outstanding debt.

In addition, Government is liable to repay the outstandings against the various Small Savings schemes, Provident Funds, Securities issued to Industrial Development Bank of India, Unit Trust of India and nationalised banks, deposits under the Special Deposit Schemes and depreciation and other interest bearing reserve funds of departments like Railways and Telecommunications etc., deposits of local funds and civil deposits. Details of such liabilities are also shown in Statement of Liabilities.

**Statement of Assets** shows the extent to which the money raised by Government has been utilised for asset formation purposes. These assets are also shown at book value. This statement includes only assets the ownership of which vests in Central Government and it excludes assets created by State Governments and non-Government bodies from grant assistance from Central Government.
