1. Provides for secretariat expenditure of the Department and for the newly established National Statistical Commission.

2. National Sample Survey is concerned with developing a suitable and originally connected programme of data collection, designed to fill up data gaps in statistics for policy formulation. It also collects and tabulates data on behalf of other Ministries and agencies by supplementary collection of data.

3. Provision has been made for Central Statistical Organisation, which is responsible for methodological work including standardisation, preparation of national accounts, compilation and publication of reports on annual survey of industries and modernisation of statistical system in India etc.

4. Indian Statistical Institute carries out integrated programmes of research, training and practical application of statistics. The Institute is financed almost wholly by grants-in-aid from Government.

5. Provides for Programme Implementation Wing for institutional development, capacity building and performance management of infrastructure in public and private sector.

6. Provides for Computer Centre which mainly takes care of the data processing requirements of the Ministry of Statistics and Programme Implementation. Provision has also been made for grants-in-aid to States/UTs for National Sample Survey work.

7. The provision is for projects/schemes for the benefit of the North Eastern Region and Sikkim.

8. The provision is for establishment-related expenditure of the Secretariat of the Department of Programme Implementation.

9. The provision is for Members of Parliament Local Area Development Scheme and is included in the Plan as part of Central Assistance for State Plans.
