1. **Secretariat - Economic Services:** Provides for secretariat expenditure of the Department .

2. **National Productivity Council:** Provides for grants to the organisation, which was set up in 1958 for generating productivity consciousness and providing productivity services to various sectors of the national economy through training programmes, seminars, productivity survey, applied research, etc.

3. **National Institute of Design:** Set up to generate design consciousness in Industry and to provide training, research and service in industrial designs like ceramic design, product design, apparel design and ergonomics and visual communication. The budget provides for grant-in-aid to the Institute.

4. **Quality Council of India:** Quality Council of India is a registered society which seeks to improve competitive advantages of Indian Industry and its export performance by focussing on quality and productivity.

5. **Research and Development of Automotive Industry:** Automotive Research Association of India provides for research, development and testing of products in Automotive Engineering Industry, including (i) product design and development; (ii) evaluation of automotive equipment and ancillaries for endurance, roadworthiness and fuel efficiency; and (iii) standardisation and technical information services.

6. **Other Programmes:** Provides for expenditure to Indian Rubber Manufacturers Research Association (IRMRA) other expenditure, National Council for Cement and Building Materials and Survey of Boiler.

7. **Asian Productivity Organisation:** Provides for contribution towards India's Membership of the Asian Productivity Organisation.

Other Administrative Services

8. **Explosives Organisation:** Provides for establishment costs of the Organisation which administers the Indian Explosives Act, 1884, Petroleum Act, 1934 and the Inflammable Substances Act, 1952 and respective rules framed thereunder. The establishment renders advice to all authorities on matters covered by these acts and imparts extensive training to police, airport security, senior police officials, etc. in identifying explosives and deceptive devices. It also coordinates with the Bureau of Indian Standards for having specific standards for improving safety.

9, 10 & 11 **Controller General of Patents, Designs & Trade Marks, etc.;** **Strengthening of the infrastructure of the Trade mark Registry/Geographical Indications Registry; Modernisation & Strengthening of the Patent office:** Administers the Patents Act, 1970, the Designs Act, 1911, the Trade and Merchandise Marks Act, 1958 and Patent Information Service.

12. **Economic Adviser:** This office (i) renders advice on all matters of economic policies, (ii) examines trends in industrial production and capacity utilisation, assists in formulation of industrial and import policies, (iii) examines matters pertaining to credit policy, credit planning and its availability with reference to industrial sector and specific industries, (iv) analyses fiscal proposals and duty/levies for industry, (v) coordinates the research work concerning the industrial sector, (vi) compilation and analysis of indices of wholesale prices in India.

13. **Intellectual Property Appellate Board (IPAB):** Intellectual Property Appellate Board (IPAB) has been set up to hear appeals against the decision of the Registrar of Trade Marks. IPAB substitutes the Jurisdiction of the High Courts. The budget provision provided under IPAB is to meet the requirement of the salary and other establishment related expenses of the Board.

14. **Tariff Commission:** To meet establishment expenses on new Commission set up by Govt. of India in 1997.

15. **Salt Commissioner:** The Organisation is responsible for administration of the Salt Cess Act, 1953 and the Rules framed thereunder. It regulates the production and rational distribution of salt including iodised salt. It also regularly monitors the price and availability of salt. The budget provides for establishment charges of the organisation and for development works.

16. **Central Manufacturing Technology Institute:** Central Manufacturing Technology Institute, Bangalore is a premier R&D Organisation for Machine Tool Industry providing technical assistance to engineering industries by way of development of new designs and control systems. It conducts evaluation of prototypes and research in the field of development in respect of state of the art technology testing, metal cutting and production technology. It also provides training including CAD/CAM service training and technical information to the industry. The Budget provides for grants-in-aid to the Institute.

17. **Industrial Education, Research and Training:** This covers grants given to the Central Pulp and Paper Research Institute and Development Council for Paper, Pulp and Allied Industries.

18. **Development Council for Cement Industry:** Provides for research and development projects and training programmes for Cement Industry.

19. **Indian Leather Development Programme:** The Plan Scheme "Indian Leather Development Programmes (ILDPA)" has been in operation from Ninth Plan. The main objectives of the Scheme are to bridge critical gaps in infrastructure for integrated development of the leather industry, activate national agencies towards tackling perceived gaps in industry to promote and accredit productivity, value addition and employment, to undertake investment/trade development activities and build up an information base for the leather industry.

20. **International Centre for Advancement of Manufacturing technology:** The main aim of the Centre is to enhance technological performance of developing countries in manufacturing, productivity, quality of goods and competitiveness through promotion and transfer of advances in manufacturing technologies and techniques.

21. **Other Schemes:** Provides for Undertaking Investment Promotion Activities and International Cooperation and Joint Venture.

22. **United Nations Industrial Development Organisation:** Provides for contribution to United Nations Industrial Development Organisation.

Other Outlays on Industries and Minerals

23. Development of Backward Areas

23.01 **Investment Subsidy:** This scheme though terminated in 1988 requires provision during the Tenth Plan as payments to eligible units are to be made in accordance with the Supreme Court Order of 1995.

23.02 **Transport Subsidy to Industrial Units:** Provides for transport subsidy to industrial units.

23.03 **Growth Centres:** Provides for Growth Centres.

23.04 **Capital Investment Subsidy:** Provides subsidy for capital investment scheme for North-Eastern Region.

23.05 **Central Interest subsidy Scheme:** Provides subsidy @ 3% on the working capital loan for a period of ten years to

new industrial units in the North-Eastern Region after the unit goes into commercial production. This has been introduced under Prime Minister's new initiatives for the development of North-Eastern Region.

23.06 **Comprehensive Insurance Scheme for the North-Eastern States:** Provides for comprehensive insurance for the new industrial units set up in the North Eastern Region after 24.12.1997 and included in the Fire Policy 'C' (as per All India Fire Tariff). Full premium under the Scheme for a period of 10 years would be borne by the Govt. of India on a reimbursement basis through General Insurance Corporation Ltd.

24 **Investment Promotion Activities/IC&JV and Asia Enterprises in India:** Provides for Investment Promotion Activities, IC&JV and Asia Enterprises in India.

25. **Upgradation of Industrial Clusters Scheme:** Upgradation of Industrial Clusters Scheme has been formulated with a view to help in accelerated and sustained industrial development by building upon its inherent strength. This is a Central Scheme and it is proposed to develop 60 clusters during the Tenth Plan period. The investment in each cluster would be Rs.50 crores.

26. **Technology Upgradation Scheme:** A new Scheme, Technology Modernisation/Upgradation Scheme has been formulated to help industry to access modern technology and enhance its competitiveness in an increasingly globalised economy. Under the Scheme financial help in the form of one time capital subsidy/interest subsidy would be provided to existing units in specified sectors other than SSI unit and those in the textile sector so that they can upgrade the technology as well as meet the challenges under the WTO regime.

27 & 28. **National Council for Cement and Building Material; Indian Rubber Manufacture Association** - The provisions are for grants to National Council for Cement and Building material & Indian Rubber Manufacturers Research Association:

29. **Research Studies:** Provides research studies in respect of Office of Economic Adviser, Tariff Commission and Boiler.

30. **Lump-sum Provision for North-Eastern Region and Sikkim:** As per the Government instructions, 10% of the Central Plan allocation is to be earmarked for projects of the Schemes and the benefit of the North-Eastern Region and Sikkim.
