## **INTRODUCTION**

Clause (2) of Article 113 of the Constitution requires that so much of the estimates of expenditure from the Consolidated Fund of India included in the Annual Financial Statement as are not 'charged' on the Fund shall be submitted in the form of Demands for Grants for the vote of the Lok Sabha. Normally one Demand is presented in respect of each Ministry/ Department. In respect of some of the large Ministries/ Departments, however, more than one Demand is presented. Each Demand normally includes the total provisions required for a Service, that is to say, expenditure on Revenue Account, as well as expenditure on Capital Account (including Loans) for the Service. Although the estimates of expenditure 'charged' on the Consolidated Fund of India are not required to be voted by Parliament, clause (I) of Article 113 of the Constitution permits discussion thereon in either House of Parliament. Accordingly, a Demand for Grant also shows, distinctly in italics, the provision for expenditure, if any, 'charged' on the Consolidated Fund of India in relation to the Service represented by the Demand. Where the provision for a Service is entirely for expenditure 'charged' on the Consolidated Fund of India, for example, Interest Payments and Repayment of Debt, a separate Appropriation, as distinct from a Demand, is presented, although no vote is sought thereon.

- 2. The Demands for Grants and the Appropriations for 2003-2004 presented to Parliament along with the Annual Financial Statement are contained in this volume in respect of all the Ministries/ Departments. A Summary of the Demands giving at one place a complete list of the Demands for Grants and Appropriations for 2003-2004, showing against each the total amount of the provision, separately under Revenue Account and Capital Account (including Loans) as well as "Voted" and "Charged", precedes the Demands. This Summary also serves as an Index to the Demands for Grants and Appropriations.
- 3. References to Ministries or Departments in the Demands are to such Ministries or Departments as existed immediately before February 10, 2003 and shall, on or after that date, be construed as references to the appropriate Ministries/Departments as reconstituted from time to time. Changes in Allocation of Business to the various Ministries/Departments notified during the year have been given effect to in these

Demands. The Demands for 2003-2004 have been shown against the Ministries/Departments as presently constituted and to facilitate comparison, figures of the corresponding Budget Estimates and Revised Estimates for 2002-2003 have been exhibited along side even though in the Demands for Grants, 2002-2003 presented to Parliament in February, 2002 the provisions were shown under Demands of Ministries/Departments as they existed at that time.

- 4. A statement showing items of New Service/New Instrument of Service included in the Demands is given at the end.
- 5. Details of major items of expenditure/schemes along with the Notes on these Demands are given in a separate volume "Expenditure Budget" Volume 2.
