1. **Secretariat - Economic Services:** Provides for secretariat expenditure of the Department of Industrial Policy and Promotion.

2. **National Productivity Council:** Provides for grants to the organisation, which was set up in 1958 for generating productivity consciousness and providing productivity services to various sectors of the national economy through training programmes, seminars, productivity survey, applied research, etc.

3. **National Institute of Design:** Set up to generate design consciousness in Industry and to provide training, research and service in industrial designs like ceramic design, product design, apparel design and visual communication. The budget provides for grants-in-aid to the Institute.

4. **Quality Council of India:** Quality Council of India is a registered society which seeks to improve competitive advantages of Indian Industry and its export performance by focussing on quality and productivity.

6. **Asian Productivity Organisation:** Provides for contribution towards India's membership of the Asian Productivity Organisation.

Other Administrative Services

7. **Explosives Organisation:** Provides for establishment costs of the Organisation which administers the Indian Explosives Act, 1884, Petroleum Act, 1934 and the Inflammable Substances Act, 1952 and various rules framed thereunder. The establishment renders advice to all authorities on matters covered by these acts and imparts extensive training to police, airport security, senior police officials, etc. in identifying explosives and deceptive devices. It also coordinates with the Bureau of Indian Standards for having specific standards for improving safety.

Other General Economic Services

8, 9 & 10 **Controller General of Patents, Designs & Trade Marks, etc.;** **Strengthening of the infrastructure of the Trade Mark Registry/Geographical Indications Registry; Modernisation & Strengthening of the Patent office:** This office is charged with the administration of Laws relating to Industrial Property Right namely Patents Act, 1970, Designs Act, 2000, Trade and Merchandise Marks Act, 1958 and Patent Information Service and Geographical Indication of Goods (Registration and Protection) Act, 1999.

11. **Economic Adviser:** This office (i) renders advice on all matters of economic policies, (ii) examines trends in industrial production and capacity utilisation, assists in formulation of industrial and import policies, (iii) examines matters pertaining to credit policy, credit planning and its availability with reference to industrial sector and specific industries, (iv) analyses fiscal proposals and duty/levies for industry, (v) coordinates the research work concerning the industrial sector, (vi) handles compilation and analysis of indices of wholesale prices in India.

12. **Intellectual Property Appellate Board (IPAB):** Intellectual Property Appellate Board (IPAB) has been set up to hear appeals against the decision of the Registrar of Trade Marks. IPAB substitutes the Jurisdiction of the High Courts. The budget provision provided under IPAB is to meet the requirement of salary and other establishment related expenses of the Board.

13. **Tariff Commission:** To meet establishment expenses on new commission set up by Govt. of India since 2nd September, 1997. The Commission was strengthened subsequently by merging the erstwhile BICP with the Tariff Commission.

14. **Salt Commissioner:** The Organisation is responsible for administration of the Salt Cess Act, 1953 and the Rules framed

thereunder. It regulates the production and rational distribution of salt including iodised salt. It also regularly monitors the price and availability of salt. The budget provides for establishment charges of the organisation and for development works.

15. Central Manufacturing Technology Institute: Central Manufacturing Technology Institute, Bangalore is a premier R&D Organisation for Machine Tool Industry providing technical assistance to engineering industries by way of development of new designs and control systems. It conducts evaluation of prototypes and research in the field of development in respect of state of the art technology testing, metal cutting and production technology. It also provides training including CAD/CAM service training and technical information to the industry. The Budget provides for grants-in-aid to the Institute.

16. Industrial Education, Research and Training: This covers grants given to the Central Pulp and Paper Research Institute and Development Council for Paper, Pulp and Allied Industries.

17. Development Council for Cement Industry: Provides for research and development projects and training programmes for Cement Industry.

18. Indian Leather Development Programme: Indian Leather Development Programmes (ILDPP) has been in operation from Ninth Plan. The main objectives of the Scheme are to bridge critical gaps in infrastructure for Integrated Development of the leather Industry, activate National agencies towards tackling perceived gaps in Industry to promote and accredit productivity, value addition and employment, to undertake investment/trade developmental activities and build up an information base for the leather industry.

19. International Centre for Advancement of Manufacturing Technology: The main aim of the Centre is to enhance technological performance of developing countries in manufacturing, productivity, quality of goods and competitiveness through promotion and transfer of advances in manufacturing technologies and techniques.

20. Other Schemes: Provides for support to Ashok Paper Mill, Assam Unit.

21. United Nations Industrial Development Organisation: Provides for contribution to United Nations Industrial Development Organisation.

Other Outlays on Industries and Minerals

22. Development of Backward Areas

22.02 Transport Subsidy to Industrial Units: Provides for transport subsidy to industrial units.

22.03 Growth Centres: Provides for Growth Centres. The Government of India, in June, 1988, announced the Growth Centre Scheme under which 71 growth centres are proposed to be set up throughout the country. These growth centres are to be provided with basic infrastructure facilities such as power, water, telecommunications etc. to enable them to attract industries.

22.04 Packages for Special Category States for J&K, HP and Uttaranchal: Provides for financing various schemes

contained in the Industrial Policy for the State of Jammu and Kashmir, Himachal Pradesh & Uttaranchal.

22.05 Infrastructure Development in the Eastern and North Eastern Region: The objective of the integrated development of infrastructure through appropriate interventions to speed up the industrialisation in the Eastern Region and North Eastern Region. The scheme is to be implemented during a five year period and will cover all the eight states in North Eastern Region, Bihar, West Bengal, Jharkhand and Orissa.

22.06 Capital Investment Subsidy: For providing subsidy @15% of the investment in the Plant and machinery subject to ceiling of 30 lakh payable to industries located in the Growth Centres and to new industrial units and in other identified areas of North Eastern Region and Sikkim.

22.07 Central Interest Subsidy: For providing subsidy @3% on working capital payable for a maximum period of 10 years to the new industrial units and/or their expansion in other identified areas in the North Eastern Region and Sikkim after the unit goes in to production.

22.08 Comprehensive Insurance Scheme for North East: For providing reimbursement of 100% Insurance Premium for a period of ten years to the new industrial units set in the North Eastern Region and Sikkim and included in the fire policy 'C' (as per All India Fire Tariff).

22.09 Other NCMP Initiative: For the development of industrial infrastructure in the Eastern Sector and also for any expenditure involved in conducting the feasibility study, etc. for the Eastern Region.

23. Investment Promotion Activities/IC&JV and Asia Enterprises in India: Provides for Investment Promotion Activities, IC & JV and Asia Enterprises in India.

24. Industrial Infrastructure Upgradation Scheme: Industrial Infrastructure Upgradation Scheme has been formulated with a view to help in accelerated and sustained industrial development by building upon its inherent strength. This is a Central Scheme and it is proposed to develop 60 clusters during the Tenth Plan period. The investment in each cluster would be Rs.50 crore.

25. Technology Upgradation/Modernisation Scheme: The scheme has been merged with Industrial Infrastructure Upgradation Scheme.

26. National Council for Cement and Building Material - The provision is for grants to National Council for Cement and Building Material.

27. Indian Rubber Manufacturer Research Association: The provision is for providing grants to Indian Rubber Manufacturers Research Association.

28. Research Studies: Provides the budget for research studies for survey of Boiler.

29. National Manufacturing Competitiveness Council: Provides for establishment related expenses and commissioning of specific studies/engagement of consultants to enhance the competitiveness of manufacturing sector.

30. Lump-sum Provision for North-Eastern Region and Sikkim: As per the Government instructions, 10% of the Central Plan allocation is to be earmarked for projects/schemes for the benefit of the North-Eastern Region and Sikkim.
