**STATEMENT 4AA**

**Fund balances under Single Nodal Agency (SNA) Accounts & Status of SNA SPARSH**
**PART - A**
**Statement showing Fund balances under Single Nodal Agency (SNA) Accounts with State/eligible UT Governments in respect of select Centrally Sponsored Schemes**

Centrally Sponsored Schemes (CSS) includes those schemes which are funded by both the Centre and the States as per the approved sharing pattern and implemented by States.

Since, FY 2021-22, the Union Government has been implementing the Single Nodal Agency (SNA) model. It aims at enhancing visibility and transparency in fund flows to States under Centrally Sponsored Schemes (CSS). It seeks to ensure just-in-time release of scheme funds to States based on the pace of expenditure. As the Union Government/ States borrow to finance their development/ welfare schemes, this system avoids float/ idle parking of funds, which results in savings in interest costs for further productive use. This model also facilitates realistic and transparent budgeting.

For each scheme, the State Government designates one Single Nodal Agency (SNA) and opens its account in a scheduled commercial bank. All scheme funds remain only in the SNA account. Other scheme Implementing Agencies (IAs) down the line, open Zero Balance Subsidiary Accounts (ZBSAs) to draw funds from SNA account. State treasuries are integrated with PFMS & exchange data on release of Central & State share of CSS funds. SNA bank accounts are also mapped in PFMS to get near real time information on fund availability in SNA account through Core Banking system.

**The following table provides details of select scheme-wise outlay (for schemes with BE 2025-26 more than ₹500 crore), total fund released by GoI in 2025-26 till 31.12.2025, fund balances with SNAs and with State/UT Governments (as on 31st December, 2025):**

**STATEMENT 4AA**

**PART-B**
**SNA SPARSH**

SNA SPARSH or Samyochit Pranali Ekikrit Shighra Hastantaran is an attempt to facilitate effective cash management with the aim of achieving the goal of "just-in-time" release of fund through an integrated network of State IFMIS, RBI and PFMS. Both Centre and State Consolidated Funds are impacted when an actual claim is raised from the State.

The SNA SPARSH is an improvement over the SNA Account Model which resulted in transfer of balances outside the Consolidated Fund of India and the Consolidated Fund of the State(s) into the SNA bank accounts where the released funds remain idle until their final utilization. Bulk releases by GoI and States also resulted in cash mismatch in RBI accounts which were bridged by borrowed funds either through Ways and Means Advance (WMA) or other short-term borrowings.

Under SNA SPARSH, both Centre and State Consolidated Funds are impacted only when an actual claim is raised from the State thus preventing bulk transfers and idling of funds. The end-to-end digital workflow enables timely release of Central share to States by Central Ministries/ Departments and direct release of Central share, State share and top-up (if applicable) by the State(s) to the beneficiaries with trackability.

The SNA SPARSH module was launched in August 2023 with the pilot rollout in six States - Rajasthan, Odisha, Karnataka, Telangana, Jharkhand and Chhattisgarh and for two Centrally Sponsored Schemes - PM USHA and Swachh Bharat Mission- Gramin. This was followed by phased rollout with notification of 14 States and 23 Centrally Sponsored Schemes in May 2024, 37 Centrally Sponsored Schemes in June 2025 and remaining schemes w.e.f November 2025. The Northeastern States and three UTs with legislature were notified for onboarding SNA SPARSH in December 2024.

Currently, all notified States have successfully onboarded SNA SPARSH and have initiated payments through the new model. Out of 81 notified Centrally Sponsored Schemes, 50 have been onboarded till 31.12.2025. Details of Centrally Sponsored Schemes onboarded on SNA SPARSH till December, 2025 are as below:
