Notes:

1. Only assets above the threshold value of ₹ two lakh recorded.
2. This disclosure statement does not include assets of Cabinet Secretariat, Central Police Organisations, Ministry of Defence, Department of Space and Atomic Energy as per Fiscal Responsibility and Budget Management Rules.
3. Figures compiled on the basis of Reports of Ministries/ Departments, may be impacted, inter-alia by any ongoing reconciliation/ liquidation/ adjudication/ administrative decision relating to valuation of assets and improvement in capture of data. Variation between closing balance (₹30,45,548.04 crore) at the end of previous reporting year and opening balance (₹31,19,002.06 crore) at the beginning of current reporting year is mainly due to Ministry of Civil Aviation (difference is ₹62,408.04 crore), the reason being that equity infusion in respect of AIAHL during FY 2021-22 was not included in the previous year's asset register and UT of Ladakh (difference of ₹11,385.00 crore), due to the assets being bifurcated in FY 2023-24 post creation of the UT. Some Ministries viz. Ministry of Personnel, Public Grievances and Pensions, Ministry of New and Renewable Energy, Ministry of Women and Child Development, Ministry of Road Transport and Highways etc. have reported that difference is due to inadvertent errors in the preceding year's asset register and updation of records.
